

REMARKS

The subject application received a first Notice of Allowance and Issue Fee Due dated October 21, 2004. Applicants timely filed the payment of the Issue Fee on November 17, 2004.

However, on December 30, 2004 the subject application received a Notice of Withdraw from Issue Under 37 CFR 1.313(b). Applicants filed a Request for Refund on January 3, 2005 requesting a credit to our deposit account in the amount of \$1,670.00 (Issue Fee and Publication Fee). Currently, our deposit account does not indicate that any credit was received for this application in the amount of \$1,670.00.

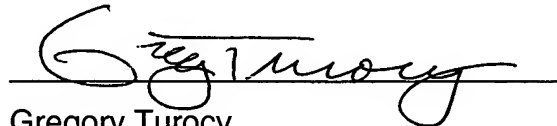

The subject application received a second Notice of Allowance and Issue Fee Due dated August 25, 2005. The total fee due for the Issue Fee payment is believed to be \$30.00 because 1) credit for the previously paid Issue Fee has not been received, and 2) due to an increase in USPTO fees.

Since applicants paid \$1,670.00 on November 17, 2004 and a credit was never received to applicants deposit account, a fee of \$30.00 is due which brings the total paid to \$1,700.00. The \$30.00 can be charged to the attached credit card payment form.

If there are additional fees in connection with the issue fee payment, the Commissioner is authorized to charge those fees to our Deposit Account No. 50-1063.

Respectfully submitted,
